## TWO HEATS, 2.01 1-2 AT COLUMBUS

Evelyn W. Defeats Earl Jr., Setting New World's Record For Five Heats-Independence Boy Victim of an Acdent-Bon Zolock Takes 2.19 Trot.

Columbus, O., Oct. 3 .- Evelyn W., the | Connell. We have offered every in-Commbus, O., Oct. 3.—Evelyn W., the champlon pacer of the year, met Earl, Jr., today on the Columbus track in a race that brought a new world's record for the five heats. Each of the contestants did a mile in 2.011-2, the one by Earl, Jr., being the third of the lot. The second and fourth heats were in 2.031-2 and the fifth in 2.043-4. The former five heat record was made by Minor Heir and The Eel at Terre Haute in 1902. Haute in 1909.

Haute in 1909.

Evelyn W. was the favorite. Last week Earl, Jr., started against her and was distanced in the first heat. To-day he never made a break and did not show himself tiring until after Evelyn W. had carried him the first half of the fourth heat in 1.00 3-4. From that time on the supremacy of the mare was plain. Her only break was made in the third heat, Rose K. taking Earl, Jr., the first half of it in 1.00 1-2. Independence Boy, pacing right behind the two leaders in the first heat, met with an accident after right bealing the two leaders in the first heat, met with an accident after passing the quarter post that ended his career as free for all horse. The left hind pastern was fractured and an ambulance was used to get him off the track to his stall. Just a week ago The Eel, of the free for all set, died here.

Bon Zolock in a five heat contest captured the 2.10 trot, Belle Ashland, the original fayorite, took a record of 2.10 when she won the third heat, but she was distanced in the fifth, and fourth money was awarded to Baron Aberdeen.

Babe, first choice for the 2.07 pace, met stubbern opposition and the race was not finished. Ty Cobb won the first two heats. Then the competition was taken up by Babe and Walter Co-chato, the former getting two of the last three heats. Each of the three heat winners acquired new records.

following to say:

The only reason why Homer Monty of this city would not need Connell of Willimantic is that Jack Delaney, the Baltic boxing promoter, wanted to split only \$30 in the main bout, which would mean \$15 for Monty—some pursenct enough for his training expenses.

Last spring Monty posted a forfeit with Young Bateson to meet Connell, but the latter managed to squeal out of a good walloping. Anyone in doubt about this van interview Bateson at 218 Main street. Perhaps Matchmaker Delaney can secure Slashing Kid Houcke for such a large sum, but he certainly cannot get Monty or Kid Palitz for that price. As a boxing promoter he has my sympathy. I wish him success in securing a man to go against Connell, which I think is doubtful for such a tiny sum.

Homer and Jack Monty left for Boaton Wednesday. Before leaving, Homer said he would box Connell if Delaney would guarantee \$50, and if he does not win he don't want one cent. This is how much he fears Connell.

Change in Balkan Situation Causes Cheerful Sentiment.

New York, Oct. 3.—The more cheer-ful sentiment which prevailed all im-portant foreign centers of finance to-day by reason of the change in the Balkan situation, the retention of the Bank of England's 4 per cent, discount rate and the easing of local call and rate and the easing of local call and time loans were provocative of a very strong and active stock market. The rise here was forestalled by London, where Americans closed with general gains, the more substantial being scored by the Coppers, Steei, Atchison, Reading, Pennsylvania, St. Paul and Union Pacific.

Union Pacific.

All these stocks and numerous others rose from material fractions to two points in this market before noon on a volume of business larger than any attained since the inauguration of the present upward movement.
